#### RESOLUTION NO. 2021-20

#### A RESOLUTION ADOPTING THE GENERAL BUDGET OF THE CITY OF GRASS VALLEY FOR FISCAL YEAR 2021-22

WHEREAS, the City Manager submitted to the City Council prior to the 1st of June, in accordance with Section 3, Article X of the City Charter, a proposed General Budget for the City of Grass Valley for the Fiscal Year 2021-22; and

WHEREAS, copies of the proposed General Budget have been available for inspection by the public in the Office of the City Clerk in accordance with the City Charter; and

WHEREAS, a public hearing was held on the proposed General Budget on June 8, 2021 at the Grass Valley City Council Chambers at which time interested persons desiring to be heard were given such opportunity in accordance with the City Charter; and

WHEREAS, after the conclusion of the public hearing, the City Council further considered the proposed General Budget and directed revisions it deemed advisable; and

WHEREAS, the City Charter provides that a General Budget of the City be adopted by the affirmative votes of at least four (4) members of the Council on or before the 30th of June, for the ensuing fiscal year.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRASS VALLEY, as follows:

- 1. That the foregoing statements are true and correct.
- 2. The document entitled "Operating Budget For Fiscal Year 2021-22", which document is incorporated herein by title reference only, is hereby adopted with the following revisions, modifications and policy limitations as the General Budget Fiscal Year 2021-22 of the City of Grass Valley, effective July 1, 2021.

a) All revisions and changes which are necessary and in accordance with the City Council's direction during consideration and review but prior to adoption of said budget.

b) Any adjustment of estimated year-end reserves to actual.

c) Incorporation of any encumbered funds.

c) Any corrections of mathematical or typographical errors.

d) Any adjustments authorized pursuant to City Council action or resolution that change or set salaries, benefits, or terms and conditions of employment for any position, employee or unit of employees.

e) Any adjustments to revenue estimates as a result of adopted changes to the City's fee schedule.

- 3. That Grant and Trust Fund budgets are continuously appropriated for the purpose approved during the term of the grant agreement and pursuant to the budget established in each grant application and contract as approved by the City Council.
- 4. That Capital Project Funds for governmental and enterprise appropriations can be distributed between individual project accounts within the Capital Project Funds as recommended by the City Engineer and Director of Finance and approved by the City Manager.
- 5. The City Manager and Director of Finance are authorized to administer said adopted budget in accordance with the provisions of the City Charter, City Council actions, and administrative policies and regulations. The City Manager's signature authority is limited to \$50,000 for budget adjustments, contracts or other actions necessary for the administration of the budget unless otherwise authorized.
- Appropriations to the several departments as authorized by the General Budget are 6. subject to receipt of adequate revenues or appropriated reserves, and such appropriations may be limited to available revenues.
- The staffing allocations as provided for in the budget are authorized, with current 7. and future vacant positions to be filled accordingly, including the under filling of any position.
- 8. The Grass Valley Redevelopment Successor Agency budget is included in and adopted as part of the Citywide budget.

ADOPTED as a Resolution of the Council of the City of Grass Valley at a meeting thereof held on the 8th day of June, 2021, by the following vote:

AYES: Council Member Branstrom, Hodge, Ivy, Arbuckle, and Mayor Aguilar

NOES: Council Member NoNC

ABSENT: Council Member NONC

ABSTAINING: Gouncil Member NGN-C

Ben Aguilar, Mayor

APPROVED AS TO FORM:

Myan Rifor

Michael G. Colantuono, City Attorney

ATTEST:

Taylor Day, Deputy City Clerk

#### COMMUNITY PROFILE

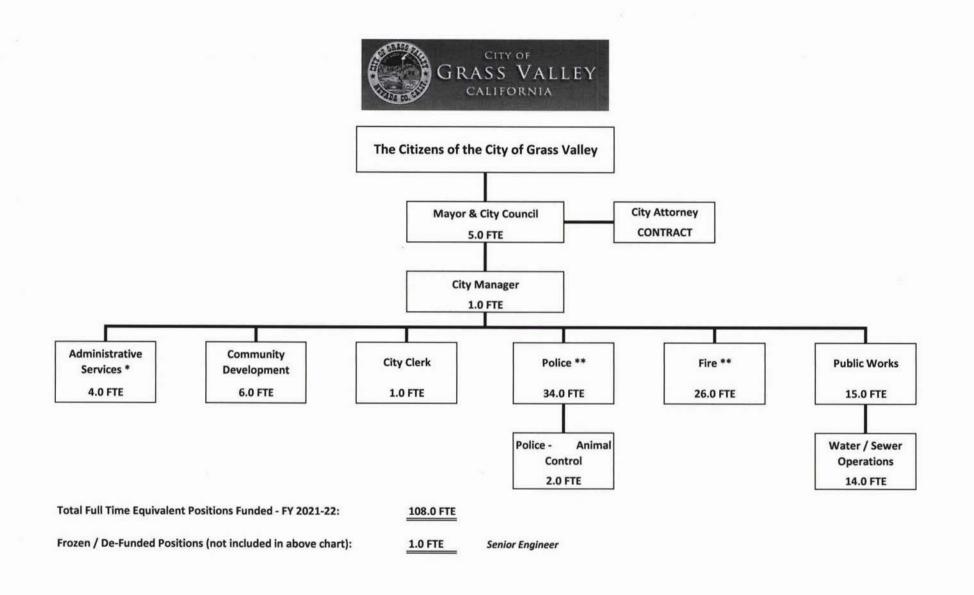

The City of Grass Valley dates from the California Gold Rush and was incorporated in 1860. Grass Valley is the largest city in the western region of Nevada County and is situated in the western foothills of the Sierra Nevada mountain range at roughly 2,500 feet elevation. It comprises of 4.7 square miles with a population of 12,758.

Grass Valley is the location of the Empire Mine and North Star Mine, two of the richest mines in California. Many of those who came to settle in Grass Valley were tin miners from Cornwall, England. They were attracted to the California gold fields because the same skills needed for deep tin mining were needed for hard rock (deep) gold mining. Many of them specialized in pumping the water out of very deep mining shafts. The mines produced well during the Depression of the 1930's, but closed temporarily during World War II. Not long after the war, production costs went off the scale, and almost one hundred years after it started, it was over. One by one the great mines closed down leaving behind colorful history, miles of subterranean tunnels and shafts - and gold.

Mill Street and its intersection with Main Street, the heart of Grass Valley, still retain much of the historic flavor of the Gold Rush. The spirit that established commercially successful quartz mining helps Grass Valley remain the commercial center of Western Nevada County. The Grass Valley/Nevada County Chamber of Commerce has worked to attract more visitors to appreciate the City's colorful history and structures. An active Downtown Business Association helps maintain a vital business climate. The City of Grass Valley remains committed to providing an attractive and quality environment in which to live and work.

Grass Valley still holds on to its Cornish heritage, with events such as its annual Cornish Christmas and St Piran's Day celebrations. Pasties are a local favorite dish with a few restaurants in town specializing in recipes handed down from the original immigrant generation. Grass Valley is also twinned with the Cornish town of Bodmin, United Kingdom.

#### CITY OF GRASS VALLEY FISCAL YEAR 2021-22 BUDGET OVERVIEW

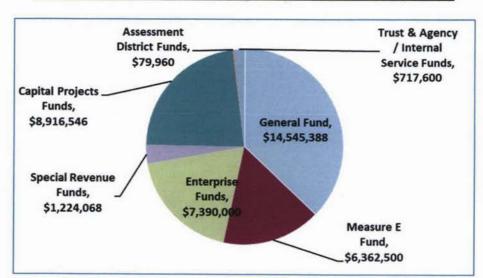

Following is a summary of the Fiscal Year 2021-22 Operating Budget, including a comparison with prior year estimated actuals and a discussion of any recommended changes. On May 25, 2021, the City Council adopted a Preliminary Budget for FY 2021-22 consistent with City Charter requirements. The final budget presented herein incorporates any changes to fund schedules previously presented and also includes budgetary information for all citywide funds.

As discussed with the budget and budget updates presented during FY 2020-21, there continue to be many fiscal uncertainties associated with the COVID-19 Pandemic. Although the shutdown of the economy and resulting negative impacts on overall revenue collection was less than anticipated, the economy is not yet fully re-opened, and certain business sectors have not fully recovered. The FY 2021-22 Budget assumes however, a continued rebound from COVID-related impacts, and conservatively projects that the overall economy will remain strong. Continued increased collections of sales taxes, higher property values and the City's ability to attract grants all contribute to the robust budget presented for the coming fiscal year.

Combined operating budget estimated revenues (net of transfers) for the 2021-22 fiscal year are \$31.6 million, compared to an estimated \$32.0 million for FY 2020-21. Total planned spending for FY 2021-22 is \$36.8 million, compared to \$31.7 million anticipated for FY 2020-21.

#### **Citywide Revenues**

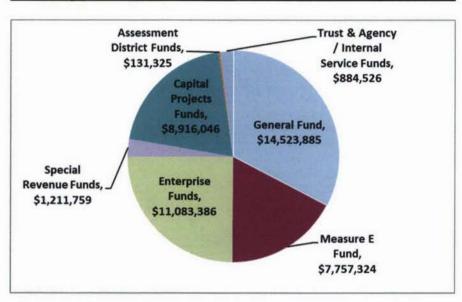

Total estimated revenues for FY 2021-22 decrease by approximately \$438,000 from the FY 2020-21 estimated actuals. This slight decrease in overall expected revenues can be largely attributed to variations in capital funding sources for prior year capital projects that are not carried over into the coming fiscal year, offset by anticipated increases in sales and transient occupancy taxes related to the recovery from COVID-19.

#### Fiscal Year 2021-22 Budgeted Operating Revenues Total Revenues = \$39,236,062 (net of transfers = \$31,566,062)

#### **Citywide Expenditures**

Anticipated expenditures for FY 2021-22 are \$36.8 million (net of transfers), an increase of approximately \$5.1 million from the \$31.7 million anticipated by the end of FY 2020-21. A majority of the increase in overall expenditures can be attributed to the recommended \$15.5 million capital program - including the Memorial Park Facility and Pool Improvements, McCourtney Road Pedestrian Improvements, street overlay and rehabilitation, and varied projects for the City's Water and Sewer enterprises. Additionally, it should be mentioned that all positions currently vacant are budgeted for the entirety of the fiscal year (i.e. no salary savings are built in) to assure adequate levels of appropriation authority as the demand for services increases vis-à-vis the recovery from COVID-19. Budgeted expenditures by fund type are show below:

### Fiscal Year 2021-22 Budgeted Operating Expenditures Total Expenditures = \$44,508,251 (net of transfers = \$36,838,251)

Taken as a whole, the above estimates indicate the City will be spending approximately \$5.4 million more that it will collect in revenue during the coming fiscal year, resulting in uses of fund balance earmarked primarily for capital projects in certain funds.

The budget presented herein reviews citywide operations as accounted for in their respective funds while laying out respective financial plans for the 2021-22 fiscal year consistent with strategies and directives set forth by the City Council.

A brief overview of the City's major funds is presented below:

#### **General Fund**

FY 2021-22 General Fund Final Budget:

|                            | Revenues      | Expenditures  |
|----------------------------|---------------|---------------|
| FY 2020-21 Mid-Year Budget | \$ 13,962,519 | \$ 13,604,395 |
| FY 2021-22 Final Budget    | \$ 14,545,388 | \$ 14,523,885 |

The FY 2021-22 General Fund Final Budget reflects revenues of \$14,545,388 and expenditures of \$14,523,885. Revenues are higher than expenditures by \$21,503 primarily due to anticipated increases in revenues and recommended expenditures for one-time funding allocations as follows:

- COVID-19 Revenue Recovery Impacts (increases in revenue):
  - Sales Tax \$550,000 (this amount includes anticipated recovery for sales tax based on forecast provided by City's sales tax consultant, less conservative amounts held back pending outcome of a potential change in Amazon tax status)
  - Transient Occupancy Tax \$25,000
  - Parks Department Fees \$12,000
- Capital and Outlay \$85,000 (Storm Drain Maintenance / Playground Maintenance)
- Capital Set-Aside \$350,000 (AT&T Property Corporation Yard updates)
- Program Set-Aside \$100,000 (Potential staff / contractual amount set aside for expansion of Park programs)
- Appropriation for Contingencies \$250,000 (Amount set aside in budget for contingencies that might arise throughout the course of the fiscal year).

FY 2021-22 budgeted revenue of \$14,545,388 reflects an approximate \$583,000 increase from revenues anticipated to be collected in FY 2020-21, primarily due to:

- Anticipated 3.0% increase in property taxes consistent with current housing market activity and increase in State CPI;
- Increases in Sales and Transient Occupancy Taxes consistent with anticipated recovery to normal collections levels as the economic impacts from COVID-19 wane;
- Increase in reimbursed costs related to the full-year inclusion of Nevada City Fire service contracted to City into the FY 2021-22 budget;
- Reductions for one-time planning and public safety grants anticipated to be received in FY 2020-21 (note any amounts not received in FY 2020-21 will be included with the Final Budget update in June 2021); and
- Slight reductions in development-related revenues to bring budgeted amounts in line with conservative expectations.

FY 2021-22 budgeted expenditures of \$14,523,885 reflects an approximate increase of \$919,000 from anticipated expenditures to be incurred in FY 2020-21, primarily due to:

 Funding of additional positions previous held unfunded and vacant as impacts of COVID-19 Pandemic were gauged – 2.0 FTE Police Officer; 1.0 FTE Sr. Administrative Clerk; 1.0 FTE City Clerk;

- Anticipated increases related to the inclusion of Nevada City firefighting personnel into the Fire Department Budget (contracted services for which Nevada City will reimburse the City of Grass Valley):
- Increase in the City's police dispatch contract with the County of Nevada;
- Increases in amounts set aside for the reconfiguration of the former AT&T property (City Corporation Yard); and expansion of the City's Parks Program; and
- The inclusion of an Appropriation for Contingencies in the amount of \$250,000.

As part of the FY 2021-22 Budget development process, it should be mentioned that the City maintains specific key contingency reserves in the General Fund:

- CalPERS Pension Stabilization Reserve \$1,500,000
- Other Post-Employment Benefits (OPEB) Reserve \$500,000
- Capital and Deferred Maintenance Reserve \$1,000,000
- Economic Contingency Reserve \$2,500,000

These <u>Assigned Reserves</u> can be used in the future to offset unanticipated pension and/or health benefit cost swings; to offset having to use General Fund discretionary funds for immediate capital outlay and maintenance needs; and to mitigate the exposure of having to significantly reduce service levels in the event of an economic downturn.

Taking into account the above, staff is recommending a preliminary General Fund Budget that is balanced and anticipates a surplus of approximately \$21,500. Total General Fund reserves are anticipated to be approximately \$8.11 million at the end of FY 2021-22. Projected reserve levels as of June 30, 2022 are expected to include:

- \$ 6,003,506 Designated Reserves (See Attachment A for list)
- 2,109,500 Undesignated Reserves

#### - <u>\$8,113,006</u> Total General Fund Reserves

#### Measure E Fund

FY 2021-22 Measure E Fund Final Budget:

| -                          | Revenues     | Expenditures |
|----------------------------|--------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 5,635,000 | \$ 5,781,428 |
| FY 2021-22 Final Budget    | \$ 6,362,500 | \$ 7,757,324 |

The Measure E Fund accounts for the City's voter-approved 1-cent transaction and use tax (general-purpose tax) that is used to support police and fire services; and streets and parks projects.

FY 2021-22 budgeted revenue of \$6,362,500 reflects an approximate \$728,000 increase from FY 2020-21 estimated revenues of \$5,635,000, primarily due to anticipated recovery of sales tax collections as the economic impacts of the COVID-19 Crisis wane.

FY 2021-22 budgeted expenditures of \$7,757,324 reflects an approximate \$2.0 million increase from estimated expenditures for FY 2020-21 primarily due to the one-time use of carryover fund balance in FY 2020-21 towards streets and parks projects. New projects anticipated to be funded by Measure E include the Memorial Park Pool and Facility upgrade (multiple funding sources), Mill Street Parking Lot and Slate Creek Drainage.

It should be mentioned that the Measure E Fund allocates funding for 21.1 FTE (position allocations) – 10.9 FTE in the Police Department and 10.2 FTE in the Fire Department. The 3.0 FTE vacant Firefighter/Paramedic positions frozen and de-funded during the COVID-19 Crisis are recommended to be funded for FY 2021-22. City staff is expected to meet with the Measure E Oversight Committee to review FY 2021-22 budget elements prior to the consideration of the Final Budget in June.

It is anticipated that the Measure E Fund will have approximately \$1.4 million in Fund Balance on June 30, 2022. These funds may be appropriated for any Measure E related purpose in future fiscal years.

#### Water Fund

FY 2021-22 Water Fund Final Budget:

|                            | Revenues     | Expenditures |
|----------------------------|--------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 2,572,500 | \$ 2,016,770 |
| FY 2021-22 Final Budget    | \$ 2,295,000 | \$ 4,117,088 |

FY 2021-22 Water Fund revenues are currently projected to be slightly below prior year budgeted amounts, primarily as a result of receiving a higher-than-anticipated amount of Water Connection Fees and interest earnings in FY 2020-21. FY 2021-22 Water Fund expenditures are recommended to be approximately \$2.1 million higher than those budgeted in the prior year primarily due to anticipated increases in raw water costs (water purchased from NID) and Water Fund capital projects. Any capital projects not fully completed by the end of FY 2020-21 will be carried over into FY 2021-22. It should be mentioned that during the upcoming fiscal year, it is anticipated that the City will complete a Water (and Sewer) rate study to assure fee structures are in line with operational and capital needs expectations in the coming years.

Also recommended for the Water Fund is the continued funding of a Pension Reserve like the one currently in place in the General Fund. Staff is recommending maintaining the set-aside of \$75,000 from Unobligated Fund Balance into the Pension Reserve, which can be used to offset unanticipated swings in annually required pension obligations and/or reduce the pension unfunded liability related to staff funded by the Water Enterprise Fund.

It is anticipated that the Water Fund will have approximately \$1.54 million in Fund Balance at the end of FY 2020-21, \$1.45 million of which is reserved for specific purposes. The \$1.54 million ending Fund Balance assumes all capital projects are completed by the end of the fiscal year.

#### Sewer Fund

FY 2021-22 Sewer Fund Final Budget:

| -                          | Revenues     | Expenditures |
|----------------------------|--------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 6,741,769 | \$ 6,479,556 |
| FY 2021-22 Final Budget    | \$ 5,095,000 | \$ 6,966,298 |

FY 2021-22 Sewer Fund revenues are currently projected to be approximately \$1.65 million lower than those budgeted in FY 2020-21. This decrease is primarily due to the removal of onetime grants received in FY 2020-21 towards certain projects; and the lowering of connection fees anticipated for the coming year, which are typically recognized as they materialize. FY 2021-22 Sewer Fund expenditures are recommended to be \$487,000 higher than those budgeted in the prior year primarily due to the carryover of projects related to Wastewater Treatment Plant Upgrades and the Slate Creek Lift Station. As mentioned in the discussion for the Water Fund, a Sewer Rate Study is scheduled to be completed in the coming fiscal year to assure appropriate fee structures are in place.

Similar to the Water Fund, continued funding of a Pension Reserve is recommended for the Sewer Fund. Staff recommends maintaining the set-aside of \$175,000 from Unobligated Fund Balance into the Pension Reserve, which can be used to offset unanticipated swings in annually required pension obligations and/or reduce the pension unfunded liability related to staff funded by the Sewer Enterprise Fund.

It is anticipated that the Sewer Fund will have approximately \$4.30 million in Fund Balance at the end of FY 2021-22, \$4.27 million of which is reserved for specific purposes. The \$4.30 million ending Fund Balance assumes all capital projects are completed by the end of the fiscal year.

#### Gas Tax Fund

FY 2021-22 Gas Tax Fund Final Budget:

| -                          | Revenues   | Expenditures |
|----------------------------|------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 583,625 | \$ 838,000   |
| FY 2021-22 Final Budget    | \$ 822,153 | \$ 818,000   |

The Gas Tax Fund accounts for the receipt of gas tax, SB-1 (RMRA) and NCTC pass-through revenues which may be used towards applicable transportation-related expenditures. Gas Tax revenues anticipated to be collected during FY 2021-22 are expected to approximately \$239,000 higher than those anticipated to be received in FY 2020-21, due to anticipated collections of Local Transportation Funding and Measure E Transfers In not received in the prior year. Gas Tax Fund appropriations are anticipated to be \$20,000 lower in the upcoming fiscal year; and are recommended primarily for street maintenance, sidewalk and utility costs.

It is anticipated the Gas Tax Fund will have \$74,000 in fund balance remaining at the end of the 2021-22 fiscal year.

#### Traffic Safety Fund

FY 2021-22 Traffic Safety Fund Final Budget:

| -                          | Revenues   | Expenditures |
|----------------------------|------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 220,100 | \$ 185,000   |
| FY 2021-22 Final Budget    | \$ 160,100 | \$ 156,000   |

The Traffic Safety Fund accounts for the receipt of parking citation revenues and a transfer in from the Gas Tax Fund used to pay for streetlight utilities costs. Traffic Safety Fund revenues collected during FY 2021-22 are expected to approximately \$60,000 lower than those anticipated to be received in FY 2020-21, due to a decrease in Gas Tax funds required to fund ongoing streetlight costs. Traffic Safety Fund appropriations are anticipated to be relatively the same as the prior fiscal year. It is anticipated the Traffic Safety Fund will have \$6,600 in fund balance remaining at the end of the 2021-22 fiscal year.

#### **Development Impact Fee Fund**

FY 2021-22 Development Impact Fee Fund Final Budget:

|                            | Revenues     | Expenditures |
|----------------------------|--------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 802,171   | \$ 40,000    |
| FY 2021-22 Final Budget    | \$ 1,120,000 | \$ -         |

The Development Impact Fee Fund accounts for the receipt AB-1600 Development Impact Fees to be used towards nexus-based future projects that mitigate the impacts new development. Development Impact Fee Fund revenues anticipated during FY 2021-22 only include interest earnings of \$40,000. Due to the unpredictability of collections of these fees, the budget will be periodically updated as the fiscal year progresses. At this time, there are no new projects budgeted in this fund – however, to the extent any projects anticipated during FY 2020-21 are not completed, the appropriations will be carried over into FY 2021-22 with the preparation of the Final Budget in June 2021.

The Development Impact Fee Fund is expected to have \$2.7 million in funds available for specific projects at the end of FY 2021-22.

#### **Capital Projects Fund**

FY 2021-22 Capital Projects Fund Final Budget:

|                            | Revenues     | Expenditures |
|----------------------------|--------------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 6,909,622 | \$ 5,531,670 |
| FY 2021-22 Final Budget    | \$ 8,916,046 | \$ 8,916,046 |

The Capital Projects Fund accounts for the majority of non-enterprise Capital Projects not citywide (some projects are wholly funded in the General Fund and the Measure E Fund; and are not part of the Capital Projects Fund). Capital projects are typically funded with non-discretionary (grants, fees, etc.) revenue sources and transfers in from other funds. Capital Projects Fund revenue and expenditures are recommended at approximately \$8.92 million for FY 2021-22. Projects were updated consistent with current cost and funding estimates, with three new projects being added – CDBG Memorial Park Pool and Facility Improvements; Slate Creek Drainage; and HSIP (Pedestrian Safety Enhancements) Improvements.

#### Special Projects Fund

FY 2021-22 Special Projects Fund Final Budget:

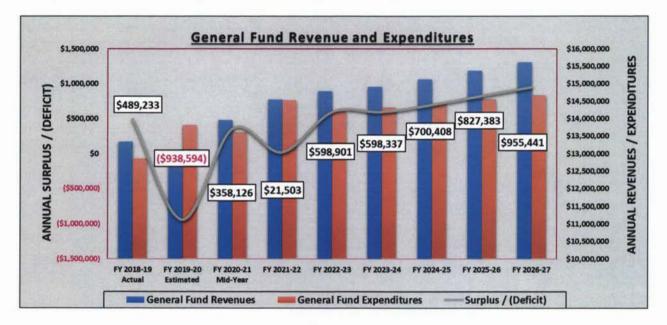

| -                          | Revenues  | Expenditures |
|----------------------------|-----------|--------------|
| FY 2020-21 Mid-Year Budget | \$ 10,000 | \$ 1,612,039 |
| FY 2021-22 Final Budget    | \$ 500    | \$ -         |

The Special Projects Fund accounts for capital projects funded by other specific revenue sources. For the coming fiscal year, revenues only include anticipated interest earnings in the fund. At this time, there are no recommended projects for FY 2021-22. It should be mentioned that the \$1.61 million in FY 2020-21 expenditures includes funding placed towards unreimbursed storm damage / sinkhole costs and funding towards the Mill Street Parking Lot. To the extent anticipated expenditures towards the Mill Street Parking Lot do not materialize in FY 2020-21, this appropriation will be carried over into FY 2021-22 and be noted in the Final Budget to be presented in June 2021. It is anticipated that the Special Projects Fund will have \$49,000 remaining for future projects on June 30, 2022.

#### **General Fund Multi-Year Forecast**

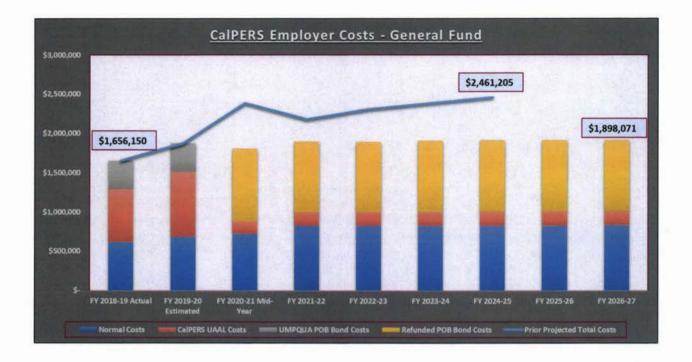

As a means to gauge the future ability to provide a consistent level of citywide services and programs, a Multi-Year Forecast has been developed for the City's General Fund – the fund where the vast majority of non-enterprise services are accounted for.

The Multi-year forecast is meant to serve as only one tool to measure fiscal sustainability into the future. The model below incorporates known cost drivers, including any negotiated salary increases, CalPERS retirement cost increases, annual appropriations for capital projects and recurring capital maintenance, and a conservative increase in all other operating expenditures. The model also assumes conservative growth in discretionary revenue sources, including property tax, sales tax, transient occupancy tax and franchise fees. The model is developed to demonstrate the ability to sustain the existing levels of service provided citywide.

As indicated in the model above, a surplus of \$21,503 is anticipated for FY 2021-22. This surplus takes into account increased collections of revenues in the wake of the COVID-19 crisis and positive fiscal impacts associated with the issuance of a pension obligation bond; offset by conservative increases in general expenditures and staffing costs and one-time set-asides for a corporation yard update and parks program management. The forecast also includes a \$250,000 contingency appropriation for the current and future years.

Baseline revenues are anticipated to be higher than baseline expenditures forecasted for each year beginning in FY 2022-23 as effects of the COVID-19 Crisis are expected to wane and as the financial impacts of issuing a Pension Obligation Bond to fund a majority of the CalPERS Unfunded Liability continue to be realized. As shown in the graph below, total expenditures for CalPERS-related costs are anticipated to be approximately \$1.9 million annually through FY 2026-27 (note: salary increases are not built in) versus nearly \$2.5 million annually had the bonds not been issued.

Although the forecast indicates the likelihood of a surplus with each year beginning in FY 2022-23, it should be mentioned that economic forces and anticipated volatility in personnel-related cost drivers could significantly impact forecasts for future years. Additionally, this forecast does not include the 20.2 public safety positions; and extensive street reahabilitation and parks projects funded by the Measure E Transactions Tax. To the extent Measure E funds were not available, approximatley \$2.7 million in ongoing annual costs related to Measure E staffing only would likely be requried to be borne by the General Fund.

# CITY OF GRASS VALLEY FISCAL YEAR 2021-22 FINAL BUDGET

# SCHEDULE OF FUNDS PRESENTED

| Fund                   | Description   |
|------------------------|---|
| General Fund           | Primary operating fund of the City; accounts for all activities<br>except those legally or administratively required to be accounted<br>for in other funds  |
| Measure E Fund         | Memo fund to the General Fund established to account for<br>proceeds of a one-cent transactions & use (sales) tax measure<br>approved by the city electorate in 2018. Funds are used primarily<br>for public safety, parks and streets-related services and programs. |
| Enterprise Funds:      |   |
| Water Fund             | Accounts for the operation, maintenance and capital activity of the City's water treatment and distribution system.   |
| Sewer Fund             | Accounts for the operation, maintenance and capital activity of the City's wastewater treatments plant and collections facilities.  |
| Special Revenue Funds: |   |
| Gas Tax Fund           | Accounts for funds received and expended for street maintenance<br>purposes as defined in Sections 2105, 2106, 2107 and 2107.5; and<br>the Road Maintenance & Rehabilitation Act (RMRA) of the<br>Streets and Highways Code.  |
| Traffic Safety Fund    | Accounts for revenue received for the City's programs associated<br>with the maintenance of equipment and supplies for traffic law<br>enforcement and traffic accident prevention.  |
| Fire Reserve Fund      | Accounts for funds received related to fire equipment maintenance<br>and replacement – receipts into fund typically come from<br>participation in Fire Strike Teams.  |

#### CITY OF GRASS VALLEY FY 2021-22 FINAL FINAL BUDGET SCHEDULE OF FUNDS PRESENTED

#### Fund

Description

## Special Revenue Funds, cont.:

| DUI Grant Fund            | Accounts for revenues received for the State DUI grant related to prevention programs.   |
|---------------------------|--|
| EPA Site Grant Fund       | Accounts for funds received and expended on an approved EPA project.   |
| Developer Impact Fee Fund | Accounts for funds received as a result of development impact on City infrastructure and systems.  |
| Vehicle Replacement Fund  | Accounts for activities of the City's vehicle replacement program,<br>the costs of which are distributed among designated user<br>departments. |
| E. Daniels Park Fund      | Accounts for funds received for the Elizabeth Daniels Park.  |
| Animal Shelter Fund       | Accounts for funds received for the Animal Shelter.  |
| Capital Projects Funds:   |  |
| Capital Projects Fund     | Accounts for funds collected and expended for the construction or purchase of public facilities and projects.                                  |
| Special Projects Fund     | Accounts for funds collected and expended for the construction of special projects.  |

# Maintenance Assessment District Funds:
