Prepared by: Timothy M. Kiser, PE, Public Works Director/City Engineer

Title: Nevada City Hwy/ Brunswick Rd Pavement Rehabilitation Project – Authorization to Bid

Recommended Motion: That Council; 1) approve the findings that the project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA); and 2) authorize the advertisement for bids.

Agenda: Consent

Background Information: The Nevada City Hwy/ Brunswick Pavement Rehabilitation Project involves the resurfacing of East Main Street/Nevada City Highway from Sierra College Dr to the northern City limits and resurfacing of Brunswick Road from the Nevada City Highway intersection to just east of the Highway 20/49 interchange. This project involves traffic control, traffic signal improvements, asphalt concrete structural section replacement, grinding, paving, concrete sidewalk construction, curb ramp replacement, adjusting utilities to grade, signing and striping.

The pavement rehabilitation associated with this project is exempt from environmental review pursuant to Section 15301 “Existing Facilities” of the CEQA Guidelines.

Copies of the plans and specifications for the Nevada City Hwy/ Brunswick Pavement Rehabilitation Project are available for review in the Engineering Division office at City Hall. The total project cost is estimated at $1,300,000. The project is to be funded with Measure N funds.

The award of a construction contract is anticipated to occur in early summer 2016, with construction estimated to be completed in the fall of 2016. Staff requests that Council authorize the bidding process for construction of this project.

Council Goals/Objectives: The Nevada City Hwy/ Brunswick Pavement Rehabilitation Project executes portions of work tasks towards achieving/maintaining Strategic Plan – City Infrastructure Investment.

Funds Available: Yes
