Title: CDBG Public Improvements Project – Authorization to Bid

Recommended Motion: That Council: 1) approve the findings that the project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA); and 2) authorize the advertisement for bids.

Agenda: Consent

Background Information: The CDBG Public Improvements Project involves lining and repair of approximately 14,000 LF of sewer lines and associated manholes in downtown Grass Valley. This project involves traffic control, sewer repair and lining and sewer manhole repair and lining.

A Notice of Exemption has been filed for this project based on categorical exemptions 15301, Class 1 and 15302, Class 2 as adopted by Council on November 10, 2015.

Copies of the plans and specifications for the CDBG Public Improvements Project are available for review in the Engineering Division office at City Hall. The total project cost is estimated at $1,300,000. The project is to be funded with CDBG grant funds.

The award of a construction contract is anticipated to occur in early summer 2016, with construction estimated to be completed by the end of summer 2016. Staff requests that Council authorize the bidding process for construction of this project.

Council Goals/Objectives: The CDBG Public Improvements Project executes portions of work tasks towards achieving/maintaining Strategic Plan – City Infrastructure Investment.
