The project to be done and referred to herein is in City of Grass Valley, State of California,
located at West Main Street, and is to be constructed in accordance with the Department of
Transportation Standard Plans, dated 2010, the Standard Specifications, dated 2010, the
Labor Surcharge and Equipment Rental Rates in effect on the date the work is accomplished,
and the General Prevailing Wage Rates.

The project plans and specifications for the work to be done were approved and are entitled:

CITY OF GRASS VALLEY
WEST MAIN STREET REHABILITATION PROJECT
PROJECT NO. 14-16

Bids are to be submitted for the entire work. The amount of the bid for comparison purposes
will be the total of all items.

The bidder shall set forth for each unit basis item of work an item price and a total for the item,
and for each lump sum item a total for the item, all in clearly legible figures in the respective
spaces provided for this purpose. In the case of unit basis items, the amount set forth under
the "Item Total" column shall be the extension of the item price bid on the basis of the
estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for a unit basis item, the
unit price shall prevail, except as provided in (a) or (b), as follows:
(a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount as the entry in the item total column, then the amount set forth in the item total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price;

(b) (Decimal Errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, or one-hundredth, etc. from the entered total, the discrepancy will be resolved by using the entered unit price or item total, whichever most closely approximates percentage-wise the unit price or item total in the City of Grass Valley's Final Cost Estimate.

If both the unit price and the item total are unreadable or otherwise unclear, or are omitted, the bid may be deemed irregular. Likewise if the item total for a lump sum item is unreadable or otherwise unclear, or is omitted, the bid may be deemed irregular unless the project being bid has only a single item and a clear, readable total bid is provided.

Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit price or item total or lump sums. Written unit prices, item totals and lump sums will be interpreted according to the number of digits and, if applicable, decimal placement. Cents symbols also have no significance in establishing any unit price or item total since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar. Bids on lump sum items shall be item totals only; if any unit price for a lump sum item is included in a bid and it differs from the item total, the items total shall prevail.

The foregoing provisions for the resolution of specific irregularities cannot be so comprehensive as to cover every omission, inconsistency, error or other irregularity which may occur in a bid. Any situation not specifically provided for will be determined by the discretion of the City of Grass Valley, and that discretion will be exercised in the manner deemed by the City of Grass Valley to best protect the public interest in the prompt and economical completion of the work. The decision of the City of Grass Valley respecting the amount of a bid, or the existence or treatment of an irregularity in a bid, shall be final.

If this proposal shall be accepted and the undersigned shall fail to enter into the Contract and furnish the two bonds in the sums required by the State Contract Act, with surety satisfactory to the City of Grass Valley, within 8 days, not including Sundays and legal holidays, after the bidder has received notice from the City of Grass Valley that the Contract has been awarded, the City of Grass Valley may, at its option, determine that the bidder has abandoned the Contract, and thereupon this proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this proposal shall operate and same shall be the property of the City of Grass Valley.

The undersigned, as bidder, declares that the only persons or parties interested in this proposal as principals are those named herein; that this proposal is made without collusion with any other person, firm, or corporation; that he has carefully examined the location of the proposed work, the annexed proposed form of contract, and the plans therein referred to; and he proposes, and agrees if this proposal is accepted, that he will contract with the City of Grass Valley in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed,
and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefor the following prices, to wit:
