### SHARE YOUR VISION FOR MILL STREET

*City of Grass Valley hosts Pop Up Community Workshop to transform Mill Street into a Vibrant Pedestrian Plaza*

GRASS VALLEY, CA – (June 16, 2021) The City of Grass Valley invites the public to share their vision for the permanent transformation of Mill Street into a captivating and vibrant pedestrian plaza. The goal of the community workshop is to provide a transparent, equitable and inclusive design approach to ensure a thoughtful and authentic vision for Historic Downtown Grass Valley. The workshop will focus on soliciting feedback from the public to help the City develop design priorities and concepts for the new site amenities and improvements to be included in the Historic Downtown area. The pop-up community workshop will take place on Mill Street, at the intersection of Mill and Bank Street on Thursday, June 24<sup>th</sup> from 10am – 8pm.

For community members unable to join the workshop in-person, please visit the [Mill Street Project website](https://millstreet.mysocialpinpoint.com) and fill out the survey: <https://millstreet.mysocialpinpoint.com>

This effort is spearheaded by the City of Grass Valley and led by a consultant team: [Atlas Lab Inc.](#), a Sacramento-based landscape architecture, urban design, and public art studio.
