City of Grass Valley
City Council and Redevelopment Agency
Agenda Action Sheet

Council Meeting Date: June 23, 2009 **Date Prepared**: June 15, 2009

Prepared by: Daniel C. Holler, City Administrator

Title: A Resolution requesting allocating Local Transportation Funds for public transportation for FY 2009-10

Agenda: Administrative

Recommended Motion: Adopt Resolution No. 2009-62 of the City of Grass Valley requesting the Nevada County Transportation Commission (NCTC) allocate $295,311 of the City's FY 2009-10 local transportation funds (LTF) for public transportation.

Background Information: Grass Valley is eligible for an estimated Local Transportation Funds (LTF) allocation of $302,842, based upon an estimated City population of 12,891. These funds, which are managed by the NCTC, are committed to first support the needs of transit and paratransit activities. On June 2, 2009 the Transit Services Commission (TSC) and the Board of Supervisors held a joint public hearing on the proposed draft transit budget which included consideration of using 100% of the City of Grass Valley's FY 2009-10 allocation of LTF. The Nevada County Transit Services Division (TSD) requested that the City submit a claim to NCTC to allocate $295,311 of the City's FY 2009-10 LTF to support transit and paratransit services. Attached is a resolution that would fulfill this request. Attached is a letter, dated May 20, 2009 from the County requesting the FY 2009-10 LTF allocation and a resolution from NCTC defining the apportioned amount for each agency. Information on the transit services goals for FY 2009-10 and challenges facing transit is attached. Transit Services Manager, Susan Healy-Harman will provide the City Council an update/overview of transit services.
