Title: Dedication of a Mautino Park Tennis Court in Memory of City Employee Jack Holland

Recommended Motion: That Council recognize the outstanding public service provided by Jack Holland, a valued, long standing City employee, and authorize the dedication of a Mautino Park tennis court in his honor and memory.

Agenda: Presentation

Background Information: In January 2010, a long standing City Public Works employee, Jack Holland, passed away. Jack was originally hired as a temporary Maintenance Worker I in April of 1987 and became a permanent employee in August that same year. He promoted quickly to level of Distribution Operator and worked in the Water Division of the Public Works Department until his retirement in December of 2008. His performance as a Public Works employee was exemplary. Jack was known for his good nature and can do attitude. He was a warm and willing soul who reached out to others with sensitivity and caring.

To honor his exemplary performance and dedication over the years as a City Public Works employee, Public Works staff is recommending the dedication of a Mautino Park tennis court in his honor. Jack was passionate and dedicated about tennis, just as he was dedicated to public service and his job. Staff can see no better way to memorialize his dedication to the City than by dedicating a tennis court in his honor and placing a plaque in his memory.
