Title: Contract renewal with the Nevada County Economic Resource Council (ERC) for FY08-09

Agenda: Staff Report

Recommended Motion: Authorize execution of agreement for fiscal year 2008/2009

Background Information: Since 1996, the City has entered into agreements with the Nevada County Economic Resource Council (ERC) to perform various services which promote the economic health of the City and region. The ERC utilizes the City's direct financial support of its operating budget to pursue a variety of economic development activities, including industry retention, expansion and attraction, which the City could not pursue without additional staff resources. On June 24, 2008, the City Council approved, as part of the FY08-09 budget, an amount of \$15,000 in support of the ERC. The attached agreement has been modified from previous agreements to reflect the changes in the fiscal year and budget amount.
