

City of Grass Valley City Council Agenda Action Sheet

Council Meeting Date: October 28, 2008

Date Prepared: October 17, 2008

Prepared by: Timothy M. Kiser, PE, Public Works Director/City Engineer

Title: Annual Chemical Purchase for Sewage Odor Control

Agenda: Consent

Recommended Motion: That Council 1) authorize the Public Works Director/City Engineer to execute a purchase order up to \$20,000 for Sewage Odor Control Chemicals, and 2) authorize the Public Works Director/City Engineer to approve amendments up to 10% of the original agreement amount.

Background Information: The City uses a patented biochemical solution (Bioxide®) to control odors associated with sewer systems. This chemical is a deodorizer used for the lift stations and Siemens is a sole source provider of this chemical. In accordance with the City's purchasing policy, the chemical was bid and Siemens Water Technologies was the responsive bidder at a fixed price of \$2.52 per gallon though June 2009. This item is bid annually and funded within each respective fiscal year budget.

With approval of the FY 2008/09 budget, staff recommends Council authorize the Public Works Director/City Engineer to execute a purchase order, and authorize the Public Works Director/City Engineer to approve amendments up to 10% of the original agreement amount.

Funds Available: Yes, as budgeted
