WORKFORCE HOUSING DESIGN PROGRAM WORKSHOP

Please be advised that the second and final community workshop for the Workforce Housing Design Program is scheduled for Monday, August 23, 2004 at that Center for the Arts (314 West Main Street) from 6 p.m. to 8 p.m. The workshop will unveil the draft Workforce Housing Design Program, review the findings and obtain comments from the public. A few of the sections within the Program include: 1) a Review of the City's Planning Documents, 2) Architectural Themes and 3) Recommendations for regulatory reform and mechanisms for creating and funding workforce housing units.

The Programs goal is to provide a base of information that will guide the City, developers and homebuilders on how to construct and maintain "owner occupant" or "workforce" affordable housing within the community. The draft plan is available for review at City Hall and on the City's website. For questions, contact Leslie Harris, Housing/Economic Development Specialist at (530) 274-4714.
