Habitat Conservation Fund http://parks.ca.gov/?page_id=21361	State Department of Parks and Recreation	Cities, counties and districts are eligible to apply.	The program provides funds to local governments from the Habitat Conservation Fund Grant Program under the California Wildlife Protection Act of 1990. \$2 million is available under the program.	Office of Grants and Local Services California Department of Parks and Recreation 1416 9th Street, Room 918, P.O. Box 942896, Sacramento, CA 94296-0001 PROJECT MANAGER Lisa Gipson (916) 651-8580 lgips@parks.ca.gov
Bring Back the Natives Aquatic Species Program http://www.nfwf.org/programs/bbn.cfm	National Fish & Wildlife Foundation	NPOs, Universities, Tribes; Local, State or Federal Agencies	The BBN program seeks projects that initiate partnerships with private landowners, demonstrate successful collaborative efforts, address watershed health issues that would lead to restoring habitats and are key to restoring native aquatic species and their migration corridors, promote stewardship on private lands, and that can demonstrate a 2:1 non-federal to federal match.	Corey Grace NFWF Southwest Office 28 Second Street, 6th Floor San Francisco, CA 94105 415-778-0999 corey.grace@nfwf.org
Environmental Enhancement and Mitigation Program (EEMP)	State of California Office of the Secretary for Resources	local, state, and federal governmental agencies and to nonprofit organizations	Resource Lands -- Projects for the acquisition, restoration, or enhancement of watersheds, wildlife habitat, wetlands, forests, or other natural areas.	The Resources Agency Attn: EEMP Coordinator 1416 Ninth Street, Suite 1311 Sacramento, CA 95814 Phone: (916) 653-5656 Fax: (916) 653-8102 Email: rp50@resources.ca.gov
CA ReLeaf Tree Planting Grant	California Department of Forestry & Fire Protection.		Funds available to community-based groups throughout California for projects that plant large-crowning environmentally tolerant trees on public property to provide shade and other benefits. The City could collaborate with a group such as Urban Tree Foundation to acquire ReLeaf grant funding.	CA ReLeaf 949-642-0127 916-557-1673, ext. 12
WATER QUALITY				
Clean Water State Revolving Fund Loan Program http://www.epa.gov/owmitnet/cwfinance/cwsrf/	State Water Resources Control Board		Loans from the Clean Water State Revolving Fund (CWSRF) programs provided about \$4 billion annually in recent years to fund water quality protection projects for wastewater treatment, nonpoint source pollution control, and watershed and estuary management.	State Water Resources Control Board Christopher Stevens cstevens@waterboards.ca.gov (916) 341-5698
2005-06 Consolidated Grants http://www.waterboards.ca.gov/funding/index.html	State Water Resources Control Board		Integrates and coordinates related grant programs for Watershed Protection, Water Management, Agricultural Water Quality, Drinking Water, Urban Storm Water, and Non-point Source Pollution Control. A total of \$142 million will be made available from 8 interrelated grant programs administered by the State Water Board's Division of Financial Assistance.	Eric Burres Citizen Monitoring Coordinator SWCRB Clean Water Team eburres@waterboards.ca.gov (213) 576-6788
Sierra Nevada Cascade Conservation Grants Program http://resources.ca.gov/bonds_prop-50sncgrantsprogram.html	State of California Office of the Secretary for Resources		Acquiring agricultural, forest, or grazing land, or other working landscapes, to prevent conversion of that land to uses that could decrease water quality in the region and degrade habitat values, or to convert that land to uses that could improve water quality in the region and habitat.	The Resources Agency Attn: Bonds and Grants Unit 1416 Ninth Street, Suite 1311 Sacramento, CA 95814 Phone: (916) 653-5656 Fax: (916) 653-8102 Email: rp50@resources.ca.gov

ALTERNATIVE TRANSPORTATION				
Environmental Enhancement and Mitigation Program (EEMP) http://www.dot.ca.gov/hq/LocalPrograms/eem03.htm	State of California Office of the Secretary for Resources/California Transportation Commission	local, state, and federal governmental agencies and to nonprofit organizations	Highway Landscape and Urban Forestry-- Projects designed improve air quality through the planting of trees and other suitable plants.	The Resources Agency Attn: EEMP Coordinator 1416 Ninth Street, Suite 1311 Sacramento, CA 95814 Phone: (916) 653-5656 Fax: (916) 653-8102 Email: rp50@resources.ca.gov
Community Based Transportation Planning (CBTP) Grants http://www.dot.ca.gov/hq/tpp/offices/ocp/cbtpg.htm	State of California Department of Transportation, Division Of Transportation Planning		CBTP grants assist local agencies to better integrate land use and transportation planning, to develop alternatives for addressing growth and to assess efficient infrastructure investments that meet community needs. These planning activities are expected to help leverage projects that foster sustainable economies, increase available affordable housing, improve housing/jobs balance, encourage transit oriented and mixed use development, expand transportation choices, reflect community values, and include non-traditional participation in transportation decision making.	Caltrans Division of Transportation Planning MS #32 1120 N Street, Room 5300 P.O. Box 942874 Sacramento, CA 94274-0001 Suzanne De Foor (916) 653-8697
Bikes Belong Coalition, Ltd.			Grants for facility project objective. To connect existing facilities or create new opportunities, leverage federal, state and private funds, influence policy, and generate economic activity. Eligible projects include: • Bike paths, trails, routes, lanes, parking, and transit • Innovative and unique high profile projects Proposals must include a specific program or project that is measurable. Applicants are also strongly encouraged, but not required, to contact Bikes Belong to ensure the proposal's eligibility.	Tim Baldwin, Grants Administrator tim@bikesbelong.org or 617-734-2111
Bicycle Transportation Account http://www.dot.ca.gov/hq/LocalPrograms/bta/btaweb%20page.htm	State of California Department of Transportation, Local Assistance Program		The Bicycle Transportation Account (BTA) provides state funds for city and county projects that improve safety and convenience for bicycle commuters. To be eligible for BTA funds, a city or county must prepare and adopt a Bicycle Transportation Plan (BTP) that complies with Streets and Highways Code Section 891.2 and four other criteria	DISTRICT 03 Local Assistance Ben J. Bramer (530) 741-5450A Ben.Bramer@dot.ca.gov
Safe Route to School Program http://www.dot.ca.gov/hq/LocalPrograms/saferoute2.htm	State of California Department of Transportation, Local Assistance Program	an incorporated city or a county within the State of California	The SR2S program is primarily a construction program. Projects funded by the program will improve the safety of students who walk or bike to school and will encourage more students to do so.	DISTRICT 03 Local Assistance Ben J. Bramer (530) 741-5450A Ben.Bramer@dot.ca.gov
PRIVATE FUNDING				
Gifts and Endowments			General contributions from private individuals or businesses are an attractive source of financing. Although fundraising through donations is unpredictable it could help supplement other more reliable sources
