

CITY OF GRASS VALLEY
APPLICATION PACKET FOR

PLANNED UNIT DEVELOPMENT

Attached are the filing forms and instructions for submitting a complete tentative map application. All forms must be completely filled out and submitted with any necessary supporting information. This packet includes the following forms (item numbers 1 and 2) and information sheets (item numbers 3 and 4):

1. Application Form
2. Supplemental Application Information Form
3. Site Plan and Map Preparation Instructions
4. Fish and Game Advisory Notice

Upon receipt of the **completed forms, site plan/maps, and filing fees**, the Community Development Department will determine the completeness of the application. This review will be completed as soon as possible, but within thirty (30) days of the submittal of the application. If the application is determined to be complete, the City will begin an environmental review, circulate the project for review by agencies and staff, and then schedule the application for a hearing before the Planning Commission.

If sufficient information **has not** been submitted to adequately process your application, you will receive a notice that your application is incomplete along with instructions on how to complete the application. Once the City receives the additional information or revised application, the thirty (30) day review period will begin again.

Approximately five (5) days prior to the Planning Commission meeting, the Community Development Department will provide you with a staff report which will include an analysis of the project along with comments from other agencies or departments. The staff report will usually contain a recommendation for approval, conditional approval, or denial.

Since the information contained in your application is used to evaluate the project and in the preparation of the staff report, it is important that you provide complete and accurate data. Please review and respond to each question. If a response is not applicable, N/A should be used in the space provided. Failure to provide adequate information could delay the processing of your application.

Additional information may be obtained at www.cityofgrassvalley.com regarding the 2020 General Plan and Zoning. You may also contact the Community Development Department at (530) 274-4330; 125 East Main Street, Grass Valley, CA 95945.

CITY OF GRASS VALLEY PLANNED UNIT DEVELOPMENT APPLICATION

**SUPPLEMENTAL APPLICATION
INFORMATION FORM
PLANNED UNIT DEVELOPMENT**

This document will provide necessary information about the proposed project. It will also be used to evaluate potential environmental impacts created by the project. Please be as accurate and complete as possible in answering the questions. Further environmental information could be required from the applicant to evaluate the project.

**PLEASE PRINT CLEARLY OR TYPE
USE A SEPARATE SHEET, IF NECESSARY, TO EXPLAIN THE FOLLOWING:**

I. Project Characteristics:

A. Describe all existing buildings and uses on the property: _____

B. Project size (square feet or acres): _____

C. Describe surrounding land uses:

North _____
 South _____
 East _____
 West _____

D. Describe existing public or private utilities on the property: _____

E. Proposed building site plan:

(1)	Building coverage	_____	Sq. Ft.	_____	% of site
(2)	Surfaced area	_____	Sq. Ft.	_____	% of site
(3)	Landscaped area	_____	Sq. Ft.	_____	% of site
(4)	Left in open space	_____	Sq. Ft.	_____	% of site
	Total	_____	Sq. Ft.		100 %

F. Subdivision phasing: If the project is a portion of an overall larger project, describe future phases or extension. Show all proposed phases on site plan. _____

G. Traffic:

1. Average daily vehicle trips expected: _____

2. Number of P.M. Peak trips expected: _____

H. Will the project use or dispose of any potentially hazardous materials, such as toxic substances, flammables, or explosives? If yes, please explain. _____

I. Will the project generate new sources of dust, smoke, odors, or fumes? If so, please explain. _____

II. Is the proposed property located on a site which is included on the Hazardous Waste and Substances List (Cortese List)? Y ____ N ____

The Cortese List is available for review at the Community Development Department counter. If the property is on the List, please contact the Planning Division to determine appropriate notification procedures prior to submitting your application for processing (Government Code Section 65962.5).

I hereby certify, to the best of my knowledge, that the above statements are correct.

GRASS VALLEY SITE PLAN REQUIREMENTS PLANNED UNIT DEVELOPMENT CHECKLIST

TO APPLICANTS: The following list includes all the items you must submit for a complete application. Some specific types of information may not apply to your project and, as noted, some items are not normally required. If you are not sure, ask Planning Division Staff. Planning Staff will use a copy of this list to check your application for completeness after it is submitted. If your application is not complete, a copy of the list will be returned to you marked according to the legend.

_____ Fifteen (15) Copies of Plan Sets on standard 24" x 36" size paper fan-folded to 9" x 12" plus (1) reduced copy at 8 1/2" x 11" which includes the following information:

_____ Neighborhood Site Plan showing surrounding development improvements and natural features within 200 feet of the project site.

_____ Project Site Plan drawn to scale and indicating:

- Dimensioned property lines, north arrow, and any easements on the site
- Points of access, vehicular circulation, location and dimension of parking areas and spaces
- Location and any existing structures (specifying building setbacks), including the location and use of the nearest structures on adjacent property, and an indication of structures to be removed
- Location of any existing or proposed utilities such as water, wastewater, storm drainage, gas and electric
- Location of any proposed structures and use (including building setbacks)
- Open space and buffer areas (including public and private)
- Walkways, bicycle facilities (bike lanes, parking racks, etc), and ADA compliance facilities on the project site and providing connections to existing off site facilities
- Pedestrian and bicycle connections to adjacent development (pursuant to the City's Community Design Guidelines)
- Mailbox locations and trash enclosures
- Other site features such as outdoor seating areas, recreational facilities

_____ Preliminary Grading and Drainage Plan showing:

- Existing and proposed contours using City datum (cut and fill slopes)
- Existing drainage characteristics of the site and a proposed preliminary drainage improvements (including drop inlets, detention basins, etc)
- Creek flow lines and flow directions
- Retaining wall locations, materials, and heights
- Locations of existing trees (over 8" in trunk diameter at breast height) and their status (species and to be removed or retained as part of the development (including preservation measures, such as fencing, pavers blocks, etc)

- Rock outcroppings and other major natural site features
- Location and construction of temporary and permanent erosion and sedimentation control measures

_____ Architectural Plans, including elevations of all sides of the building indicating the form and exterior treatment, overall height, roof materials, proposed exterior mechanical equipment, building lighting, building materials and colors.

_____ Conceptual Landscape Plans indicating general locations of landscaping improvements, including locations of retained trees, newly planted trees, landscape buffers and berms, retaining and/or garden walls and any hardscape areas.

_____ Cross sections: (If the project site has an average cross slope of greater than ten (10) percent). Two or more sectional views of the project, approximately through the middle and at right angles to each other, showing existing and proposed grades and relationship of buildings, parking and landscaping at maturity, including major features and structures on adjacent properties at the most severe grades at two foot intervals.

_____ Exterior Lighting Plan including locations of all light standards and placement of building lighting. This plan shall include power rating details, heights, shielding design and cut sheets lighting designs. Include a photo-metric lighting plan, overlaid onto the project site plan, showing lighting levels across the entire site and at property lines.

_____ Schematic Floor Plan showing interior building layouts, rooms or use areas, square footages of bedrooms, entrances and relationship to exterior use areas.

_____ Signs: General locations of contemplated signage on building or grounds should be included. Additional details, such as sign construction and materials should also be included if available. If a major feature of the project involves signage, then the following additional information should be included in the package:

- Dimensions and square footage of all signs.
- Dimensions and square footage of building walls on which signs are located.
- Means of lighting.
- Heights of all signs.
- Message that will appear on each sign.
- Description of materials and colors for letters and background.
- A scaled drawing of each sign showing typeface and design details.

_____ Color Architectural Elevations: One copy reduced to 8 ½" x 11" colored architectural renderings.

_____ Reduced Site Plan and Architectural Elevations: One copy each reduced 8 ½" x 11".

- _____ Materials Sample Board with colors and textures of exterior architectural materials securely mounted on a maximum 8 ½" x 14" size illustration or poster board.
- _____ Current Preliminary Title Report (including all recorded easements as noted on the site plan). Title Report must be dated no less than 6 months prior to the application filing date.
- _____ Address all applicable items in Section 17.72.050 (c) (Application Requirements) of the Grass Valley Development Code.
- _____ A written description of the need for the Planned Unit Development (e.g. compatibility with neighborhood, to mitigate environmental impacts, etc.)

Optional Items

- _____ Site Photographs of the project site, including neighboring development and including a key map of where each photo has been taken.
- _____ Perspective Rendering as required by staff, the Development Review Committee, or the Planning Commission.
- _____ Photo Articulation of proposed physical improvements overlaid onto photos of site.
- _____ Scaled Model upon request of the Development Review Committee or Planning Commission.

ADVISORY RE: FISH AND GAME FEE REQUIREMENT

Permit applicants are advised that pursuant to Section 711.4 of the Fish and Game Code a fee of \$2,638.75 for an Environmental Impact Report and \$1,908.75 for a Negative Declaration* shall be paid to the County Recorder at the time of recording the Notice of Determination for this project. This fee is required for Notices of Determination recorded after January 1, 1991. A Notice of Determination cannot be filed and any approval of the project shall not be operative, vested, or final until the required fee is paid. This shall mean that building, public works and other development permits cannot be approved until this fee is paid.

This fee is **not** a City of Grass Valley fee. It is required to be collected by the County pursuant to State law for transmission to the Department of Fish and Game. This fee was enacted by the State Legislature in September 1990, to be effective January 1, 1991.

*If the City finds that the project will not have an impact on wildlife resources, through a De Minimus Impact Finding, the City will issue certificate of fee exemption. Therefore, this fee will not be required to be paid at the time an applicant files the Notice of Determination with the County Recorder. The County's posting and filing fees will still be required.
