LAND SUBDIVISION TENTATIVE MAP - LOT LINE ADJUSTMENT

Attached are the filing forms and instructions for submitting a complete tentative map application. All forms must be completely filled out and submitted with any necessary supporting information. This packet includes the following forms (item numbers 1 and 2) and information sheets (item numbers 3 and 4):

1. Application Form
2. Lot Line Adjustment Application Checklist

Upon receipt of the **completed forms, site plan/maps, and filing fees**, the Community Development Department will determine the completeness of the application. This review will be completed as soon as possible, but within thirty (30) days of the submittal of the application. If the application is determined to be complete, the City will begin an environmental review, circulate the project for review by agencies and staff, and then schedule the application for a hearing before the Planning Commission.

If sufficient information **has not** been submitted to adequately process your application, you will receive a notice that your application is incomplete along with instructions on how to complete the application. Once the City receives the additional information or revised application, the thirty (30) day review period will begin again.

Approximately five (5) days prior to the Planning Commission meeting, the Community Development Department will provide you with a staff report which will include an analysis of the project along with comments from other agencies or departments. The staff report will usually contain a recommendation for approval, conditional approval, or denial.

Since the information contained in your application is used to evaluate the project and in the preparation of the staff report, it is important that you provide complete and accurate data. Please review and respond to each question. If a response is not applicable, N/A should be used in the space provided. Failure to provide adequate information could delay the processing of your application.

Additional information may be obtained at www.cityofgrassvalley.com regarding the 2020 General Plan and Zoning. You may also contact the Community Development Department at (530) 274-4330; 125 East Main Street, Grass Valley, CA 95945.
