PERFORMANCE SECURITY AGREEMENT

PROJECT LOCATION: _____

TYPE OF SECURITY: _____

PERMIT No: _____ **APN:** _____

APPLICANT/OWNER: _____ / _____

APPLICANT/OWNER ADDRESS:

As a condition of approval for development, or issuance of a building, grading, or tree removal permit, the applicant/owner of the above noted property, is required to post adequate security for performing certain conditions relating to such approval, as follows:

- Erosion Control, in the amount of \$ _____, pursuant to City Ordinance No. 15.04.080** (Finance Dept. Code 100-2105-040)
- Tree Preservation, in the amount of \$ _____, pursuant to City Ordinance No. 12.36.250** (Finance Dept. Code 100-2105-_____)
- Public Improvements, in the amount of \$ _____, pursuant to Conditions of Approval for Case No. _____** (Finance Dept. Code 100-2105-_____)

By executing this agreement, the applicant/owner hereby acknowledges that such security will be released to the undersigned applicant/owner upon: 1) the completion of the referenced permanent improvements; 2) receipt of a written request for such release by the applicant/owner; 3) approval by the City Engineer; and 4) acceptance of all public improvements by the City Council of Grass Valley.

Agreement executed by Applicant/Owner:
