

COMMUNITY DEVELOPMENT DEPARTMENT

Supervising Building Inspector (part-time position).

Posted 9/5/2009

The City of Grass Valley's Community Development Department is seeking a person or persons for part-time intermittent employment who have experience and the necessary certification to perform building inspection and/or plan checking. Position requires possession of a Certificate of Registration as Inspector(s) issued by ICBO. Possession of CABO Building Official, Plans Examiner and Combination Building Inspector certificates are also desirable. Three years of journey level experience in design, construction or inspection of public, commercial, industrial or residential buildings and one year of supervisory experience required. Candidates may obtain additional information by calling the Human Resources Department at (530) 274-4713. Applications are available on line on the Human Resources Department Home Page. Send a completed application to the City of Grass Community Development Department, 125 E. Main Street, Grass Valley, CA 95945. Position is open until filled.
