## **To Report a Malfunctioning Street Light**

The majority of Street Lights within the City of Grass Valley are owned and maintained by PG&E.

Decorative lights in the downtown area are primarily maintained by the City.

If you are uncertain whether the light is maintained by the City or PG&E, please call the Public Works Administrative Clerk at 530-274-4350

To report a street light outage for a PG&E maintained light, please follow this link:
