**First known as City Square, the unimproved 4 lots were purchased from Sara Kidder for \$1,200 by the Grass Valley Women's Club on February 3, 1911. The cannon in the park is on loan from the Benicia Arsenal. It came with 48 cannon balls, which have since disappeared. The park was deeded to the City in 1916 but the City failed to record the deed and failed to maintain the park. The Junior Chamber of Commerce maintained the park for a period of time. Sometime in 1940, the Grass Valley Women's Club again deeded the park to the city. The original playground equipment was replaced in the 1960's, again in the 1980's, and was replaced in 2002.*
