

Now Accepting Applications for Police Evidence/ Property Technician

The Grass Valley Police Department is committed to reducing crime and improving the quality of life in our community

The Evidence Technician performs a wide variety of specialized law enforcement support duties related to receiving, storing, disposing, and releasing property and evidence collected by law enforcement staff. The Evidence Technician collects, packages and processes all items taken into evidence daily; processes items approved for disposal; releases and tracks evidence issued to departmental and other personnel. Training in crime scene investigation and evidence collection is provided and the Evidence Technician will assist detectives in the field as needed. In addition, the Evidence Technician coordinates and participates with other Police Department personnel in a variety of special events throughout the community.
