WITH THE BIDDER'S PROPOSAL IN ORDER FOR THE  
BID TO BE CONSIDERED RESPONSIVE.**

# ADDENDUM NO. 1

**PROJECT: MAUTINO PARK TURF REPLACEMENT PROJECT  
PROJECT NO. 20-06**

**BID OPENING: TUESDAY, SEPTEMBER 29, 2020, AT 3:30PM**

---

**REVISIONS TO NOTICE TO CONTRACTORS:**

1. Paragraph 5, "Contractor License". Delete requirement of a D-63 Construction Cleanup Contractor License. The Contractor need only possess a valid Class "A" or C27-Landscaping Contractor license at the time of bid award.

**REVISIONS TO SPECIAL PROVISIONS:**

1. Section 5-1.22 "Contractor's Licensing Laws". Delete requirement of a D-63 Construction Cleanup Contractor License. The Contractor need only possess a valid Class "A" or C27-Landscaping Contractor license at the time of bid award.
2. Section 10-1.20.4 "Irrigation Heads". Replace the second paragraph in its entirety with the following:  
New lateral lines of PVC pipe shall be trenched, connected and installed to add, extend, relocate and adjust all irrigation heads to conform with the locations and quantities as shown on the contractor's accepted layout plan. **It is assumed that every existing head location will need to be adjusted, anywhere from 5 to 70 feet, to achieve proper spacing and coverage.** Additionally, approximately 12-15 new irrigation heads will need to be installed. It is assumed that existing lateral lines will be utilized and that cutting, extensions, elbows and tees will be sufficient to achieve new layout. Alternatively, the contractor may propose a complete lateral system replacement at the contractor's option. All irrigation heads shall be adjusted to proper height and finish graded.
