As a new owner, please be aware that the City of Grass Valley ordinance states that all unpaid sewer and/or water bills are attached to the property. Therefore, please call customer service at (530) 274-4350 to verify that all prior customer accounts on your new property have been paid in full and that there are no liens on the property tax rolls. Property owners are legally responsible for all past balances even if the fees were incurred prior to your ownership.

The owner has read and understands the above and hereby agrees to be liable for the cost of all water and/or sewer supplied to the property cited above and understands that if said water/sewer bill is not paid, the service may be discontinued, a lien may be placed against the property or other legal steps may be taken as necessary. The owner hereby agrees to pay the actual costs of the water meter service line, water meter (size as indicated above and restocking fee if size indicated above is incorrect) and/or sewer connection installation performed by the City of Grass Valley. Upon completion of the installation, refunds will be sent to the payee.
