I agree to pay the initial evaluation fee upon submission, and the full evaluation fee upon completion (explained on the back):

Name: _____ Signature: _____

A filing fee of **\$156.76** (prevailing weighted labor rate) will be charged for **all plan reviews**. This fee covers up to 1 hour of staff time. Any additional hours may be billed at the District's hourly rate labor rate (or fraction thereof). **An invoice will be sent** upon completion of the review

The Northern Sierra Air Quality Management District requires Plan Review Evaluation Fees for all applicants submitting plans to any Planning Department in Plumas, Sierra and Nevada counties (or directly to NSAQMD), per NSAQMD Rule 603.

Written documentation of the review will be provided to the municipality performing the main project review (or directly to applicants in special situations).
