

# TEMPORARY METER & HYDRANT USE APPLICATION

City of Grass Valley Public Works Department  
125 E Main Street, Grass Valley, CA 95945  
Phone: (530) 274-4350  
Fax: (530) 274-4399

A Temporary Water Meter and Hydrant Use Application is required for any person(s) requesting use of City water for temporary commercial or construction purposes per the Municipal Code #13.04.180. Temporary Water Meter & Hydrant Use Applications expire on June 30<sup>th</sup> each year and must be renewed annually.

**A) Temporary Meter Use Only:** A refundable deposit is required for meter loss or damage. Meters will be read and billed monthly. For short term projects, fees will be taken out of the deposit and any remaining amount will either be refunded or billed to the applicant.

**B) Hydrant Use:** A refundable deposit is required. For hydrant use, customers are to use the hydrant located at 556 Freeman Ln only and must have an approved back flow device on the tank. Load use will be billed monthly. It is the customer's responsibility to call (530) 274-4350 to report their usage after each load. It is the customer's responsibility to notify the city when they are no longer getting water and complete a Request for Refund application.
