

SIGN APPLICATION CHECKLIST

(SUSPENDED SIGNS)

SUPPLEMENTAL APPLICATION INFORMATION

Below are the required details for submitting a complete application for a Sign Permit for a suspended sign. No sign shall be constructed, installed, or modified unless a sign permit is first obtained in compliance with Chapter 17.38 of the Grass Valley Municipal Code. Sign Permits for suspended signs may be approved by the Community Development Director. The application should be accompanied by an illustration or rendering of the proposed sign.

The following details shall be submitted with a Sign Permit application for a suspended sign:

Application Checklist:

- Sign color(s): _____
- Trim style: _____
- Thickness: _____
- Material: _____
